Hi guys....it's been a sweet ride with Nirmala Study Abroad. I got my student visa for Canada and Nirmala Study Abroad helped me to get admission to the best college and course. I'm currently studying General business in Fanshawe, the whole staff supported me and they did their best to get my visa and admission as soon as possible. They gave me the best IELTS class available and James sir is the best in the business and I got a 7 band on my first attempt. Sujitha ma'am and Amritha ma'am helped me very much. Nirmala Study Abroad is the best place where you get to make your dreams come true. My dream came true and all the wishes to those who wish to achieve the same. Thanks, Nirmala Study Abroad.
